For Customer Service: wecare@cozymatic.com
For Anything Else: info@cozymatic.com

COZYMATIC strives to deliver the highest quality to customers by leveraging dedicated factory facilities and a rigorous supplier selection process.

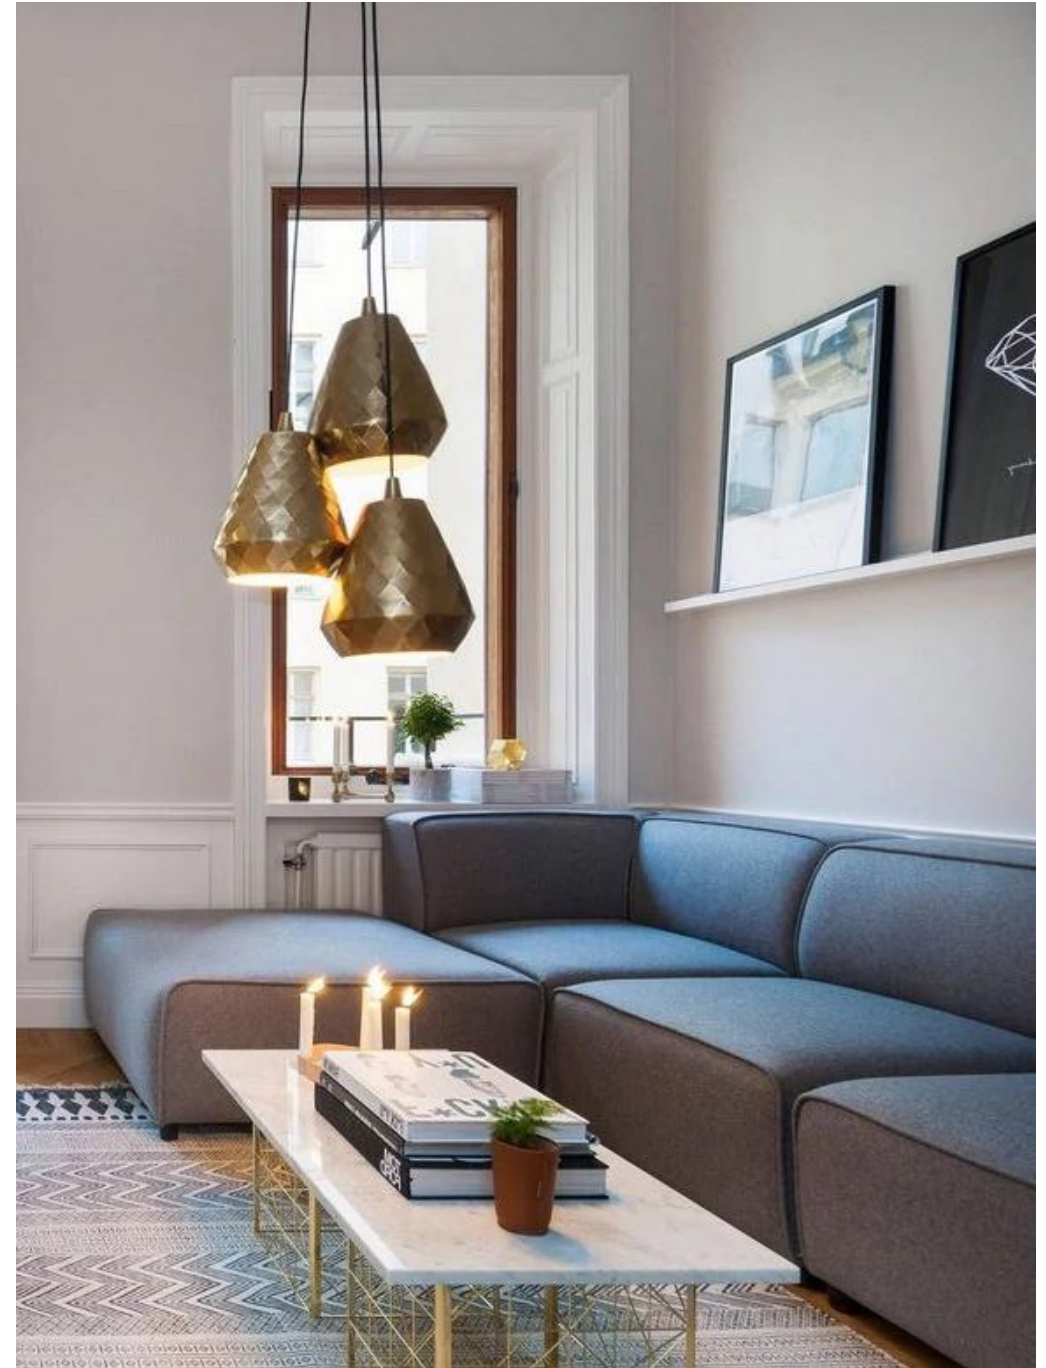

Our extensive network of over 300 reputable suppliers enables us to offer a diverse range of products, from replicas to original designs and made-to-order items.

We have optimized our workflows and compressed our average manufacturing lead time to 2 weeks.

With our robust industry network and expertise, we now proudly introduce our brand new service, COZYMADE, to our business clients:

1. Product sourcing. We can create variable order volumes at the most competitive price, whether it is a ready-to-order product from our catalog or a basic design draft.
2. Wholesale and reselling business. Whether you're a reseller or a designer, we're committed to expanding your client base via our network. We will generate a unique trading code with a dedicated service manager.
3. Procurement of large volumes. For procurement over 3000 USD (or equivalent in other currencies), we will offer bespoke services to your needs, including specific invoice and payment terms and procurement discount.
